

ONYEKA ROSELINE UCHECHI

Front-End Developer

Lagos, Nigeria | +234 816 664 4226 | uchechionyeka36@gmail.com | github.com/Roselineonyeka | linkedin.com/in/roseline-onyeka-0216bb239

PROFESSIONAL SUMMARY

Passionate Front-End Developer with a background in Banking and Finance and hands-on experience across administrative and customer-focused roles. Currently thriving as a Lead Front-End Developer at Appsolute Ltd, building responsive web applications and cross-platform mobile apps with React, React Native, and .NET MAUI. Combines analytical problem-solving with modern front-end expertise to ship polished, user-focused products. Known for strong organizational skills, attention to detail, and a continuous drive to stay current with emerging tech.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, TypeScript, C#, SQL

Frameworks & Libraries: React, React Native, .NET MAUI, Tailwind CSS, Bootstrap, Sass/SCSS, Redux, Zustand

Tools: Git, GitHub, Figma, VS Code, Visual Studio, Vite, npm, Postman

Design & Productivity: Figma, Canva, MS Office Suite (Word, Excel, PowerPoint, Outlook), QuickBooks

Soft Skills: Organizational skills, time management, communication, teamwork

WORK EXPERIENCE

Lead Front-End Developer (previously Junior Front-End Developer) | Appsolute Ltd — Lagos, Nigeria

2024 – Present

- Progressed from junior developer to one of the team's lead front-end developers
- Build and maintain both web applications (HTML, CSS, JavaScript, React) and cross-platform mobile applications (.NET MAUI for Android & iOS)
- Develop responsive, dynamic user interfaces, optimizing performance and resolving bugs to enhance the user experience
- Collaborate with UI/UX designers to translate design mockups into functional products

Administrative Assistant | Fat-Lan Global Links (NYSC) — Lagos, Nigeria

2022 – 2023

- Managed records, prepared reports, and coordinated with executives to achieve objectives
- Maintained schedules and facilitated daily update meetings for alignment
- Directed incoming calls efficiently via a multi-line phone system

Office Assistant | NNKS Unisex Fashion House — Asaba, Nigeria

2020 – 2021

- Welcomed clients, maintained security logs, and issued visitor badges
- Streamlined inventory management and daily operations using scheduling software

PROJECTS

Harida Homes — Real Estate Website

Built a real estate listing website featuring property browsing with an image carousel, an About and FAQ section, and direct WhatsApp contact integration, using HTML, CSS, and JavaScript.

Spark Ride — Driver & Rider Apps

Developed a two-sided ride-hailing platform with .NET MAUI for Android and iOS: a driver app with earnings tracking, trip history, and wallet management, and a companion rider app with live map-based ride requests.

Expense Tracker

Built a React Native app for tracking personal expenses, with income vs. spending breakdowns, transaction history, and visual statistics over time.

Drum Machine

Built an interactive, keyboard-playable drum machine web app in React, with two switchable sound banks and volume control.

EDUCATION

Chukwuemeka Odumegwu Ojukwu University

BSc. Banking and Finance (Second-Class Honours, Upper Division) | 2017 – 2021

CERTIFICATIONS & TRAINING

- Front-End Development Libraries — freeCodeCamp (2026, ~300 hours of coursework)
- UI/UX Design Cohort (Internship) — UXL School of Design (2023 – Present)

ACHIEVEMENTS

- Introduced a digitized record management system, reducing task completion time by 20%
- Transitioned into web and mobile development through hands-on training and self-directed projects
